

## GCHFA WindStars Class Agreement

I acknowledge that I have received a Nuvo instrument to use throughout the year at GCHFA.

I commit to maintaining the instrument properly by cleaning it regularly, ensuring all components are kept together, and promptly informing my teacher of any lost or damaged parts.

I accept responsibility for replacing the instrument if it gets damaged under my care.

I agree to retain the mouthpiece at the end of the year.

I have viewed the instructional video, and I am familiar with how to care for my instrument. <https://youtu.be/BGSUY1vfHjo?feature=shared>
